To the attention of the members of the Board of Directors
Mobile Technology S.A.

Paris – France, May 1st 2024

Dear members of the board of directors,

I have personally acted as Listing Sponsor of The Azur Selection when the company asked and obtained its admission on Euronext Access + market segment in Paris in November 2022.

Throughout the long and tedious listing process and post listing M. Dimitris Chomatas has proved key to the success of the listing. Working efficiently even if we experienced changing and sometimes contradictory demands from Euroclear, Euronext and Athex. It was a long but successful operation.

M. Chomatas helped on the company delisting from the Cyprus Stock Exchange as it was a prerequisite for the admission on Euronext, the transfer of the legal entity from a Cyprus PLC to a Greek SA, and helped on the various interactions with Athex to allow the trading of the shares and allow the company shares to be transferred from Athex to Euroclear Bank, then to Euroclear France to end on Euronext Paris.

All this while respecting all market notices and obligations in Cyprus, Greece & France.

It has proved to be a pleasure working with M. Chomatas given his work efficiency and good humor even when confronted with difficult market conditions or bureaucratic requests.
