😊 Clean and new place; the staff was always friendly, helpful and nice; the breakfast was really good; AC was always on point, specially with the crazy heat in Athens... really enjoyed it. Can 100% recommend it.

Hotel was very nice. It is right on the border of the sights in Athens, so you do have to do a little walking to get to the most "touristy" areas, but considering the price difference I think this was a great deal. Breakfast was included and wonderful. The small plunge pool on the roof was a nice addition and great way to cool down after a long hot day or touring around Athens.

I've traveled to Greece several times, but this is by far the best experience I've ever had. The staff is extremely helpful and very flexible. The hotel is quiet, comfortable, and close to center. The man at the reception, named Andres, is very cooperative and polite. Even the restaurant staff is very friendly, the food is delicious with plenty of options.

Fresh and new with stunning views. We stayed in Room 601, top floor with direct and full view of the Acropolis. I highly recommend this hotel for its aesthetic and comfort of stay.

Minimal, stylish and very beautiful. The view of the restaurant is breathtaking. Idyllic scenery of the Parthenon, and Lycabettus hill.

The food is delicious.

Congrats to the General Manager and the team.

Professionals, taking care of their customers needs and wants, making them feel pampered.
