**The wonderful ALOE**  
My wife and I had a week at the ALOE at the beginning of June and we loved it. The hotel is relatively new, bright, airy and well-looked after and being greeted with a glass of fizz and a cold towel by very pleasant efficient reception staff set the tone for a relaxing holiday.  
All the staff without exception are friendly and attentive and focussed on helping you have a great, relaxing holiday.  
Breakfast is a good buffet, with everyone and all tastes catered for.  
As well as breakfast, we ate lunch and dinner in the Asteri restaurant several times and the food is really good. We had a particularly good evening at the Wednesday music night was a highlight, with Nikos and Maria playing an eclectic mix of music and the Greek night was also excellent, with a ton of tasty food, wine and great service, all accompanied by live Greek music.  
We loved this hotel (and the Asteri restaurant) so much we have already booked to go back in September.

Dear Mr. Banners, warm greetings from Aloe!  
Thank you very much for staying with us and for sharing your experiences with others.  
We truly appreciate your kind words and we will make sure to let our team know that their efforts have been once again appreciated.  
We look forward to your next visit!

**A dream experience!**  
Our experience at Aloe Boutique & suites adults only Hotel has been nothing short of amazing! From the moment we stepped into this 5-star paradise, we were overwhelmed by its elegance and beauty. Situated just a stone's throw away from a beach with silky smooth sand and crystal-clear waters, this hotel enchanted us with a terrace that seemed straight out of a dream, complete with a restaurant that redefined impeccable service.

The staff, warm-hearted and with friendly smiles, welcomed us in a way that made us feel at home away from home. From the receptionists to the waitstaff, bartenders, and every member of the team, they exceeded our expectations, turning every moment spent here into a priceless memory. The impeccable cleanliness and the panoramic view from the pool were just a couple of the elements that added a magical touch to this stay.

This vacation has been so much more than we ever dreamed of. Hotel managed to surpass every expectation, offering us not only luxurious accommodation but a unique and authentic experience. We are profoundly grateful for providing us with such an oasis of beauty and hospitality. It is undoubtedly the place where every detail is perfectly curated to create unforgettable memories.

Ovidiu Cirea.

Dear Ovidiu Cirea, warm greetings from Aloe!

Excellent place. The service is really amazing!! I would like to highlight Irina who served us in the restaurant and was really a pleasure!! Everyone looks always happy to serve you. The facilities are always clean and well maintained. Good food and snacks in the restaurant. Delicious breakfast! Comfortable beds, good spa prices, excellent beach in front for snorkeling... good restaurants and shops nearby! 1000/10. We were their first Chilean guests and they treated us just as if they treat their European guests.

small view of the sea as well the beach. Our criticism it was for the air con. It was really hot and the air was not powerfully enough for the room size. At night took around 4 hours for us to get a comfortable temperature. Breakfast was good, with a good variety. Saturday there was champagne breakfast. Bubbles and bruschetta with smoked salmon. The pool is nice, just the whole pool has a considerable depth. We got a welcome drink on arrival and a set of Greek Honey when we left. Amazing touch from the hotel. We used the gym that was basic, but enough for a holiday session. Definitely a great place to stay.

I would just recommend the hotel to make an agreement with one of the beach restaurants. The hotel it is not in the beach. It is the street in front. And the hotel even if it is just crossing the street to access the beach, they don't have beach chairs. Making an agreement would be nicer, as we would not need to pay for chairs in the beach everyday.

The hotel has live music on some nights. We has a great time Friday night sitting by the pool with some lovely guy singing.

Rooms: We upgraded our room to have a bigger room. I would not suggest to do this as the air con then takes too long to refrigerated

Rooms: Rooms were great, beds were comfy, and they were always clean. The housekeeping team was very good and made our room very clean and tidy. They did a great job

Nearby activities: We got a speed boat hire flyer from the hotel lobby, went out on a boat for 4 hours, and it was great fun. The hotel reception team helped to organise this. The company was very helpful in showing how to use the boats and added locations to our Google maps of places to snorkel.

The hotel also has a spa, and the massages were great. The masseuses were very nice and friendly and helped us to really relax

Food & drinks: The food in the hotel was great. The breakfast buffet has something for everyone's tastes. The best watermelon.

One night, we had dinner, and the special was a beef stiffado. It was probably the best Stiffado I had on our trip (had this 8 out of our 10 nights). The hotels one was the best I had, and I would highly recommend it.

The hotel also offers a private dinner experience on the roof terrace. Watching the sunset and having our dinner in these settings was fantastic. Our waitress Giota was fantastic she explained all of the courses very well and also made a great wine recommendation. She helped make our dinner very special.
