Bespoke Athenian Living

IN AN INTIMATE MODERNIST HAVEN

Athens Capital Suites – MGallery Collection

Hidden on a quiet street, Athens Capital Suites is surrounded by some of the capital's most significant landmarks, institutions, museums, and art galleries. With the Acropolis towering above, you are just a stone's throw from the Hellenic Parliament, Syntagma Square, and the Athens National Garden.

A discreet witness to the profound historical, political, and societal transformations that have shaped both the neighborhood and the nation, this listed 1930s building has an aura that gives you pause and draws you in. Understated modernism revealing a thoughtfully curated 1930s work of art, its marble halls have been meticulously restored to highlight the most beautiful features of the building's past. Sleek, minimalist interiors breathe new life into its spaces, featuring a curation of iconic design pieces that reflect the original period.

An elegant collection of nineteen suites where every stay is uniquely yours and feels like homecoming, our accommodations feel like private residences with eight distinct layouts and designs. Each visit brings fresh perspectives on Athenian living and the familiar comforting sense of settling into a place that feels like your own. After a day of exploration, the sauna and steam bath offer a moment of tranquillity, while our fitness centre invites you to invigorate your spirit.

With heartfelt, intuitive service from our staff, we continually find new ways to surprise you and elevate your in-suite journey, from romantic dinners with a private chef to massages and signature spa treatments. In this caring atmosphere your needs are met before you even voice them.

An intimate address to live Athens as the locals do, we bring you closer to the city's authentic spirit. Let our concierge desk be your private gateway to iconic sites and hidden gems known only to insiders. Unwind at the rooftop pool of Athens Capital Hotel while soaking in front-row views of the Acropolis, then indulge in creative Mediterranean cuisine at Mappemonde. Later in the evening, share exceptional cocktails with fellow guests at our Club Lounge, regaling them with stories of your day.
