Returning to Airis doesnot disappoint

We returned and our visit didn't disappoint. It was very special as we were treated like family or old friends. We will return again and thoroughly recommend this hotel. The whole team wherever they work - housekeeping, restaurant, reception, maintenance etc are all very helpful. It's a great place to stay for a relaxing holiday. Breakfast choice is great and often there are so many different choices that we do overeat!! Evening meals and entertainment are well worth exploring. It's a great place to stay and explore this island

Dear Ms Helena, warm greetings from Airis!

We truly appreciate your kind words and we will share them with all our team.

Complete relaxation

Our stay at airis boutique hotel was nothing short of amazing, total relaxation and the cleanliness of the hotel was amazing.

The staff at this hotel are absolutely amazing and to be honest they felt more like friends to me and my wife. From George, giannis, Maria, and efi this at reception were brilliant!! George was extremely helpful in hiring us a car and recommended some places to visit.

We ate at the hotel on numerous occasions during our stay and the food is fantastic and extremely well presented. The staff again fantastic, always happy and polite. A big thank you to Vangelis, olga, Persa, sarah, thrasos, and of course the man that makes the most fantastic cocktails at the pool bar Alexander.

Have to mention the cleaners who did a fantastic job cleaning the rooms on a daily basis and left the room spotlessly clean.

We found the hotel to be in a prime location only 5-10 mins walk to some excellent beaches and some really fantastic restaurants. Chania town is beautiful and well worth a visit, we walked in which is only around 2 miles along the coast but buses are easy accessible just a short walk from the hotel.

We drove to elafonissi beach which is amazing I would advise if you do visit this beach go early as it gets extremely busy but well worth a visit.

I have to mention the entertainment too which was brilliant especially margarita cox!!

Hopefully we will be returning next year but a big thanks to everyone at the hotel for making our holiday great 🍷

My girlfriend and I had recently stayed at this hotel and were thoroughly impressed with its cleanliness, outstanding staff, and the incredible convenience of having four beautiful beaches within a 5-10 minute walking distance.

City centre is only 10-15 minutes away with a bus, and the bus stop is less than 300 meters from the hotel.

One of the standout aspects of Airis Boutique & Suites was the cleanliness of the rooms. The housekeeping staff deserves immense praise for their attention to detail and commitment to maintaining the utmost cleanliness standards.

The staff at Airis Boutique & Suites hotel truly went above and beyond to ensure a memorable stay. From the warm welcome at check-in to the attentive assistance throughout our stay, their professionalism and genuine hospitality were commendable. The reception staff were incredibly knowledgeable, providing great recommendations for local attractions, dining options, and arranging transportation when needed. The restaurant staff were attentive and friendly, offering personalised service that added a delightful touch to every meal. The entire team was dedicated to making each guest feel valued and well-cared for.

Where do I start?
I won't name the staff as I would not like to offend anyone if they were left out. All the staff were excellent in their roles, always polite, friendly and willing to help in any way possible. It was a pleasure to interact with them, whether it was seeking help or just chatting.

A well positioned hotel with a relaxing atmosphere. All the hotel, from its rooms, pool area, reception and gardens were always clean and well presented.

The food we thought was of a very high standard and we enjoyed a lovely anniversary meal on our first night.

An ideal location for us to explore by bus or on foot. With plenty of very good restaurants within walking distance.

Our Jet2 rep that covered our hotel was a great help organising any trips and giving some very useful local advice.

We would be great to return here in the future.

The hotel and surrounding area is pleasant, but nice staff is what really makes this hotel great and makes the atmosphere very enjoyable. What I noticed is that they are very kind to all the visitors, but also between each other. Staff is very carefully chosen, and, in my opinion, this makes the greatest value of this hotel. The hotel is very well positioned, near 4 great beaches.

The hotel is very well maintained and clean, even though I would suggest better cleaning when making visitors shifts - sanitizing the bathroom and deeper cleaning. But cleaning in general is very good - changing towels and bed sheets regularly, refilling the soaps, shampoo's, 2 small bottles of water each day for free (cleaning ladies are also very pleasant :)).

Breakfast variety could be improved and breakfast time extended, but everything that was served was delicious.

Prices for the food in the restaurant/pool area are a bit high compared to the restaurants nearby, but food is tasty.

In general, we really enjoyed staying in this hotel and I highly recommend it!

Amazing hotel with amazing staff, clean rooms, great location and amazing restaurant.

We enjoyed our stay very much and would come back for sure if we ever visit Crete again.

The only little downside was noise from the street in the morning but I don't think the hotel is to blame for this.

I would 100% recommend this hotel to anyone looking for comfort, cleanliness, great location and friendly staff.

We attended one of the live music event that was amazing! As well as sea night with set tasting menu that took us for a trip down the Crete and sea cuisine.

We loved everything about our stay in this hotel.
