The Forum in Brief

The **7th Occupational Retirement Provision Forum #ocin26**, titled:

"Occupational Pensions at the Forefront of the European Savings and Investments Strategy", aims to record developments in occupational insurance across Greece and Europe, highlighting its strategic role in enhancing investments, competitiveness, and the sustainability of the insurance system.

Through keynote addresses, empirical analyses, and in-depth presentations by distinguished speakers from Greece and abroad, the Forum aims to provide participants with comprehensive and thorough insights into the issues that have shaped—and are expected to define—the landscape of the 2nd

Insurance Pillar at a domestic and European level, particularly in light of European policies for mobilizing private savings and channeling them into the real economy. The ultimate goal of the Forum is to provide all potential labor market stakeholders (employers and employees) in the Occupational Insurance sector with a holistic approach to the philosophy, operating mechanisms, and the role of Occupational Pension Funds as both supplementary pension vehicles and institutional investors.

The 7th Occupational Retirement Provision Forum is being organized for the 7th consecutive year on Thursday, June 18, 2026. The event will take place in person at the Divani Apollon Palace & Thalasso hotel, with a simultaneous online broadcast via LiveOn Events+.

*The Forum is organized by the **Hellenic Union of Institutions for Occupational Retirement Provision (H.U.I.O.R.P.)** in cooperation with **ethosEVENTS**, the financial & business portal **banks.com.gr**, the insurance magazine **InsuranceWorld**, and the portal **insuranceworld.gr**.*

Why participate in the Forum

Professionals of the insurance market and the financial sector in general, should attend the 7th Occupational Retirement Provision Forum not only to get detailed information but also to profit from the vast variety of networking opportunities it will offer to them, given that:

- its program is centered around the growth prospects of the Occupational Insurance sector, the institutional reforms which will safeguard it as well as the relevant investment and other opportunities
- during its works, prominent Occupational Insurance experts will make presentations and highlight current challenges, latest developments and best practices
- professionals renowned in Greece and internationally will participate in debates with the aim to offer participants high-quality information on all the latest trends in the Greek and global market
- the event will be attended by numerous executives and market participants as well as high-ranking Greek and foreign officers, VIP guests and representatives of institutional authorities; this, in combination with LiveOn's advanced technologies, is translated to significant opportunities for invaluable professional networking.
